Honorable Frederick J. Lewton
Commissioner
U. S. Civil Service Commission
8th and F Streets, N. W.
Washington, D. C.

Dear Mr. Lewton:

I have discussed with a number of our senior officers the nomination of a candidate for the 1962 William A. Jung Memorial Award, and we have decided that we would not propose a candidate this year because of security considerations.

We appreciate being given the opportunity each year to participate in the Foundation's program, and hope that at some future time we will be able to nominate a candidate from our younger group of administrative personnel whose achievements may be given public recognition.

In behalf of the Agency, I wish to thank you and the members of the Board of Trustees for conducting a program which gives recognition to exemplary achievements in public administration.

Sincerely,

Signed C. P. CABELL
